

New Client Intake Form

Create this once in Google Forms (free) and share the link on WhatsApp, Instagram and the website.

How to create it (5 minutes)

1. Open forms.google.com with the business Gmail → Blank form. Title: "HumanAI Concierge — New client form".
2. Description: "Tell us what you need — a real person will reply within one working day. Please don't share OTPs, passwords or bank details."
3. Add the questions below with the shown type (click ⋮ → Required where marked).
4. Settings → Responses → turn on "Collect email addresses: Responder input" (optional).
5. Responses tab → Link to Sheets → this creates your intake sheet. Copy the client into the Client Tracker when you start work.
6. Send → link icon → Shorten URL → copy. Paste it into your WhatsApp quick reply /quote and Instagram bio.
