2. Relationship

1. The Partner is an independent service provider, not an employee. The Partner is free to accept or decline any task and to work for others.
2. Each task is offered on WhatsApp with its details and fee. A task is confirmed only when the Partner accepts it in writing.

6. Verification

The Partner agrees to identity, address, reference and police verification before receiving tasks, and to re-verification every [2] years.

7. Ending the agreement

Either party may end this agreement at any time by written notice (WhatsApp is fine). HumanAI may stop offering tasks immediately if conduct rules are broken.

8. Liability and law

The Partner is responsible for their own acts during tasks. Indian law applies; courts in Bengaluru have jurisdiction.
